DAMN! What you got going on? You never leave the house?

UH Dave invited me over to his place! He's starting a new D&D campaign!

How's Dave doing? I love that guy! I wish y'all would have invited me!

But Kevin is gonna be there...

OH God I hate Kevin! Dude is so annoying!

Yeah that's kinda why you weren't invited!

Well that's cool I guess, I can hang out with my other BF then...

Actually me and Nail are going to warlocks tonight.

WTF seriously?

I'm sorry I forgot which days you had off.

I work the same schdule every week!

I can't believe you're both gonna ditch me and hang out with your other friends!

Gosh! Sorry we don't consult you everytime we make plans!

YEAH for real!

We hang out with you all the time dude!
